

A man with a beard, wearing a black beanie and jacket, stands inside the wooden hull of a boat under construction. The hull is made of many curved wooden planks. In the background, another person is visible working on the upper part of the hull. The workshop has a high ceiling with industrial lighting and a window showing the outside.

A large wooden boat hull is shown in a workshop, supported by numerous wooden blocks. The hull is made of light-colored wood planks. The interior of the hull shows a series of curved wooden ribs. The workshop has a wooden floor and fluorescent lights on the ceiling. A yellow and black helmet is on a workbench in the foreground.
